**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Even though I live in the center of Silicon Valley, Palo Alto, my family continue to rely on DSL. In the past, AT&T continue to increase our DSL service price in order to sway us into switching to their expensive bundle Uverse service. At this time, our DSL carrier, Sonic, is the only choice we have for a single broadband service at reasonable price, without being force to pay for other bundled services we don't need.

Please DO NOT dismantle key components of the 1996 Telecommunications Act which will force out UNEs carriers who provide residential services to us all.

Thank you,

EDITH LO
